

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Livestock Handler Certification for In-Plant Personnel	This program focuses on handlers understanding of how to handle animal at the harvest plant from unloading through the harvest process. It not only helps keep you in compliance but also improves meat quality and reduces loss.	Swine, Beef, Poultry, Dairy	Plant, in-plant, harvest, receiving, storage, employees, handling,	<a href="#">website link</a>	2	\$100
Farm and Load-Out Animal Handling Certification	This program focuses on handlers understanding of how to handle animal on the farm and throughout the load out process. It not only helps keep you in compliance but also improves meat quality while reducing losses.	Swine, Beef, Poultry, Dairy	farm, on-farm, loading, load-out	<a href="#">website link</a>	2	\$100
Captive Bolt Gun Training Part 1	These programs focus on the understanding of all types of captive bolt guns and how each works . The care, ,storage, and proper maintenance of these in part one and part two focuses on the proper use of the captive bolt guns. Species specific and teaches how to confirm death after each use. *This comes with a certification	Swine, Beef, Dairy	euthanasia, captive bolt, stunning	<a href="#">website link</a>	1	\$50
Proper Techniques for Humane Stunning with the Captive Bolt Gun Part 2	These programs focus on the understanding of all types of captive bolt guns and how each works . The care, ,storage, and proper maintenance of these in part one and part two focuses on the proper use of the captive bolt guns. Species specific and teaches how to confirm death after each use. *This comes with a certification	Swine, Beef, Poultry, Dairy	euthanasia, captive bolt, stunning	<a href="#">website link</a>	1	\$50
Electric Stunner Safety and Operation	This program trains employees on the proper use, safety, and humane operation of a stunner . Also covers cleaning and maintaining an electric stunner . Most types and models covered and is species specific.	Swine, Sheep, Goat	electric, stunning, harvest	<a href="#">website link</a>	1	\$50
Conducting a HACCP Analysis for Animal Wellness	This webinar discusses the process of utilizing a HACCP-like, systematic approach to identify and determine a strategy to control the key threats to animal wellness throughout the entire production system and to improve your animal welfare/animal wellness programs.	Pork, Beef, Poultry, Dairy, HACCP,	HACCP, Hazard Analysis, Systematic Approach, management plan, audit	<a href="#">website link</a>	1	\$0
Temple Grandin - Understanding Animal Behavior from the Animal's Perspective	Understanding Animal Behavior and Reducing Stress, 2nd Edition.	Dogs, Cats, Cattle	behavior, welfare, stress, Temple Grandin	<a href="#">website link</a>	1	\$0

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Professor Cathy Dwyer - Welfare of Farm Animals: Welfare Assessment and Ethical Dilemmas	Some things that happen on farms, how we look at it and what we think about it, what violations that might be seen, ethical dilemmas that are brought up in regards to farm animals	Pork, Beef, Dairy, Poultry, Sheep,	EU, European Union, UK, United Kingdom, Ethics, Assessment	<a href="#">website link</a>	1	\$0
Humane Handling of Livestock; Situation-Based Humane Handling Modules 1 & 2 - Facilitator and Participant Guides	FSIS provides basic humane handling of livestock training, which describes how inspection personnel should approach the activities of ensuring handling and slaughter of livestock are humane and in compliance with humane slaughter laws. This goes through thought process and systematic approach for the handling of animals .	Pork, Beef, Dairy, goat, sheep	USDA, FSIS, Non-compliance, Egregious Acts, situation-based training,	<a href="#">website link</a>	1	\$0
Developing a Robust Systematic Approach to Humane Handling	Developing a Robust Systematic Approach to Humane Handling	Multiple	Robust Systematic Approach, RSA,	<a href="#">website link</a>	1	\$0
Animal Behaviour and Welfare	On-demand version of course from University of Edinburgh: Week 1-Introduction to Course, Week 2- What is Animal Welfare and Why Does it Matter? Week 3-What We Can Measure We Can Manage, Week 4- The Truth About Cats and Dogs, Week 5- Down on the Farm, Week 6- Lions, Tigers, and Bears, Oh My!, Week 7- Welfare Conundrums	Pork, Beef,	English, Italian, Spanish, French	<a href="#">website link</a>	10	\$0
Chicken Behavior and Welfare	On-Demand Course by University of Edinburgh: Week 1- Getting Started and Introduction to Animal Behaviour: Domestication, Behaviour Development and Learning, The Senses, Week 2- Behaviour Patterns of Chickens Part 1, Week 3-Behaviour Patterns of Chickens Part 2, Week 4- What is chicken welfare? Defining "Welfare", ethical obligations, and welfare standards, Week 5-Effects of Housing, Transport and slaughter on bird welfare	Chicken	chicken, poultry, behavior, welfare, ethics, slaughter, housing, transport	<a href="#">website link</a>	10	\$0
Different Kinds of Minds - Visual Thinking and Animal Behavior	Describes Visual ways of processing experience. Describes how Autism led her to become the designer of more humane livestock handling facilities leading to calmer animals and better meat quality.	Multiple	autism, handling, meat quality, humane, Temple Grandin	<a href="#">website link</a>	1	\$0
Webinar: Dairy animal welfare – what you need to know	Erika Oakes and Kathryn Davis from Dairy Australia’s Animal Health & Fertility program discuss the changing requirements of our customers, consumers and the wider community and highlight some practices that will be covered by incoming legislation.	Dairy	Australia, Dairy, Legislation, laws,	<a href="#">website link</a>	1	\$0
General Cattle Handling	This video is about General Cattle Handling practices and the impact it can have on beef cattle production.	Bovine	handling, behavior, Temple Grandin	<a href="#">website link</a>	0.5	\$0

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
General Cattle Handling	Temple Grandin, an animal welfare expert and designer of livestock facilities, lectured at Kennedy Hall Feb. 24 during her last visit to campus as a Rhodes Class of '56 Professor. Grandin, who has autism, has spent her career figuring out what frightens pigs and cattle.	Swine, Bovine	Temple Grandin, behavior	<a href="#">website link</a>	1	\$0
2015-11-09 Dr. David Fraser - Securing animal welfare and building public trust	Could Animal Production Become a Profession?	Multiple	animal welfare, public perception	<a href="#">website link</a>	1	\$0
How much does the welfare of people affect the welfare of animals	Animal well-being doesn't live in a vacuum! It begins and ends with people doing the right thing. Too often, the caretaker is taken out of the equation in animal well-being discussions, but it is the most critical component. Webinar presented by Robert Hagevoort from New Mexico State University on October 14, 2019.	Multiple	welfare, wellbeing, Hoards Dairyman, Dairy,	<a href="#">website link</a>	1	\$0
CAST Animal Welfare presentation by Candace Croney, April 2018	"Scientific, Ethical, and Economic Aspects of Farm Animal Welfare" Presenter: Candace Croney, Purdue University. This report examines the many conflicting values and norms in our society related to the use of animals lead to increasing disagreements about what constitutes a "good life" for the animals in our care.	Multiple	Ethics, welfare, values,	<a href="#">website link</a>	1	\$0
Play behaviour, positive emotions and the assessment of animal welfare - Jeff Rushen	Dr. Jeff Rushen , Adjunct Professor in the Animal Welfare Program at the University of British Columbia	Dairy	play, behavior, welfare	<a href="#">website link</a>	0.5	\$0
Hormones, stress and ANIMAL WELFARE	There are numerous endocrine (hormonal) responses during stress and these are often complex. This complexity makes the study of endocrine stress responses challenging and the challenges are intensified when attempts are made to use measures of hormones to assess the welfare of animals because there are so many endocrine systems activated during stress and because there are countless stimuli that trigger these systems. Professor Alan Tilbrook	Multiple	Hormones, Science, Cortisol, Endocrine, Physiological	<a href="#">website link</a>	0.5	\$0
Dr. Ed Pajor - Animal Welfare: the new social ethic	Dr. Ed Pajor spoke at the Alberta Lamb Producers 'Meet the Board' in January 2016 about the importance of animal welfare for maintaining consumer confidence.	Sheep	consumers, public, welfare, ethics	<a href="#">website link</a>	1	\$0
Animal Welfare and Profitable Farming	LIVE EVENT Animal Welfare and Profitable Farming with Dr. George Stilwell, University of Lisbon	Multiple	welfare, profits,	<a href="#">website link</a>	1	\$0

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Animal welfare considerations for backyard poultry flocks	As more people become interested in backyard flocks, it is important to consider the welfare of the birds in your flock. This webinar will discuss some of the concerns related to backyard poultry flocks.	Poultry	poultry, chicken, home, backyard, welfare	<a href="#">website link</a>	1	\$0
David Fraser on the Definition of Animal Welfare	This presentation is by Dr. David Fraser, University of British Columbia, from Washington State University's Farm Animal Welfare Symposium, September 15, 2012, and defines animal welfare and its measurement.	Multiple	animal welfare, public perception, definition	<a href="#">website link</a>	0.5	\$0
Improving Animal Welfare and Communication with the Public	Temple Grandin Professor of Animal Sciences, Colorado State University; author of several books including "Livestock Handling and Transport" and "Thinking in Pictures" Temple Grandin thinks in pictures, and those pictures help her help animals and their handlers by keeping animals calm and less stressed in situations that could be quite stressful for them.	Multiple	Temple Grandin, behavior, public, stress, handling	<a href="#">website link</a>	1	\$0
Webinar: On Farm Euthanasia of Sheep with Jennifer Woods	Based on Code of Practice requirements, this webinar will provide information to help maintain animal welfare and handler safety during on-farm euthanasia, including: • Why an animal should be euthanized • Timeliness of euthanasia • Who should euthanize an animal • How to euthanize an animal • What should be done with the carcass of an animal after euthanasia.	Sheep	euthanasia, captive bolt, stunning	<a href="#">website link</a>	1	\$0
Lameness in Cattle (Farm Animals) 1 - Veterinary Medicine, White Board Tutorial	Lameness in farm animals is a big issue which has its huge impact on production and profits and also it has ethical point related to animal welfare.	Beef, Dairy	lameness, scoring, vet, health	<a href="#">website link</a>	0.5	\$0
A Conversation About Animal Welfare	Dr. Angela Green, Assistant Professor, from the Department of Agricultural and Biological Engineering at the University of Illinois discusses animal welfare.	Multiple	animal welfare,	<a href="#">website link</a>	0.5	\$0
Temple Grandin Keynote at 2012 VT Grazing Conference: Animal Welfare Auditing	At the 2012 Vermont Grazing and Livestock Conference, Dr. Temple Grandin of Colorado State University gave her keynote presentation on How to Set Up and Implement Animal Welfare Auditing Systems.	Multiple	Temple Grandin, audit, auditing	<a href="#">website link</a>	0.5	\$0
"Chickens on camera: automated assessment of welfare using optical flow" By Professor Marian Dawkins	The system works by using cameras to monitor the movement of whole flocks and then analysing the statistical properties of this movement to give information about not only welfare but also key human health issues such as Campylobacter.	Poultry	chicken, poultry, assessment, assess, behavior, welfare, management, analysis	<a href="#">website link</a>	1	\$0

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Panel - Animal Welfare Standards from the Processors & Retailers	Animal Welfare Standards from the Processors & Retailers - Ms. Sarah Wilbourn, Director, Animal Welfare, United Egg Producers; Mr. Jose Rojas, Vice President, Farm Operations, Hormel Inc.; Mr. Mike Brown, Director, Dairy Supply Chain, Kroger Foods; Ms. Christine Summers, Product Safety & Quality Assurance, Costco	Multiple	Round Table, Panel, Discussion, production, obstacles, problems	<a href="#">website link</a>	1	\$0
Wisconsin Idea Seminar - Balancing Animal Welfare with Economic Realities. Nigel Cook. 2017.11.07	Presentation on economic realities regarding animal welfare and humane handling	Dairy	economics, economic, problems, balance, balancing, welfare	<a href="#">website link</a>	1	\$0
DACQA - Animal Health	The Dairy Animal Care and Quality Assurance - Animal Health package is meant to assist dairy producers in implementing good animal health practices on their dairy operation. This is accomplished through focusing on the animal health specific modules of the Dairy Animal Care and Quality Assurance - Comprehensive package. DAQCA training equips dairy producers with the tools needed to practice quality animal care and food production.	Dairy	DACQA, Dairy, care, operations, health	<a href="#">website link</a>	2	\$0
DACQA - Comprehensive	The Dairy Animal Care and Quality Assurance – Comprehensive package is designed to assist dairy producers in producing quality dairy and beef products by providing information on topics such as nutritional management, marketing and transportation, animal handling, treatment protocols and proper record-keeping.	Dairy	DACQA, Dairy, care, operations, health, nutrition, handling, records, record-keeping, transport	<a href="#">website link</a>	3	\$0
DACQA - Non-Ambulatory Cattle Management Training	The care and handling of a non-ambulatory (downer) animal is an important issue that faces the Dairy industry on a daily basis. It is important for all cattle handlers to understand the proper ways to care for these compromised animals. This package includes three different training modules: The Care and Handling of Non-Ambulatory Dairy Cattle, Human Euthanasia of Dairy Cattle and Carcass Disposal. Each of these modules help prepare the caretaker for the decisions that must be made when dealing with a non-ambulatory animal.	Dairy	DACQA, Dairy, care, operations, health, euthanasia, compromised animal, non-ambulatory	<a href="#">website link</a>	0.5	\$0
Dr. Noffsinger's Animal Handling Training	Dr. Tom Noffsinger explains routine handling techniques that can help create a more stress free environment for cattle. Topics covered include tagging newborns, preparing for weaning, receiving cattle, processing, and more. 14 modules	Bovine	Handling, cattle stockmanship, bud box, handling, processing,	<a href="#">website link</a>	14	\$450 for all modules of \$50 each module

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
PQA: Pork Quality Assurance	Training focused on-farm for producers and employees working with swine	Swine	PQA, farm, on-farm, handling, welfare, production	<a href="#">website link</a>	2	\$0
TQA: Transport Quality Assurance	Training focused on loading, transport, and unloading of swine for truck drivers, load crews, plant personnel	Swine	TQA, transport, transportation, loading, unloading	<a href="#">website link</a>	2	\$0
Who Are These Auditors Coming on My Farm? - PORK Academy	Who Are These Auditors Coming on My Farm? - PORK Academy - Collette Kaster, PAACO, from the 2017 World Pork Expo, June 7 - 9, 2017, Des Moines, IA, USA.	Swine	audit, auditors, CSIA	<a href="#">website link</a>	1	\$0
To Stun or Not to Stun: Why Shouldn't The Consumer Know and Choose?	Presentation focused on stunning and public perception	Beef, Sheep, Poultry	euthanasia, captive bolt, stunning, consumer, public perception	<a href="#">website link</a>	0.5	\$0
NMPAN Webinar: Best Practices for Kosher & Halal Slaughter in USDA Inspected Slaughterhouses	Focus on the topic of religious animal slaughter, to better understand what exactly is Kosher and Halal animal slaughter, how it can be done under USDA inspection, and what are the best practices to assure humane kill under these religious tenets.	Beef	kosher, halal, religious, slaughter, harvest	<a href="#">website link</a>	1	\$0
Talking Animal Agriculture Webinar with Michele Payn Webinar	Michele will help you build understanding around hot topics such as housing, hormones and antibiotics. She gives you tips to create an action plan for you to go beyond the choir to more proactively talk about the many issues facing animal agriculture.	Multiple	Public perception, action plan, discussion, housing, hormones, antibiotics	<a href="#">website link</a>	1	\$0
Webinar: Breeding for Sheep Welfare with Dr. David Scobie	Selection for specific traits can help improve animal welfare, decrease labour costs and increase disease resistance. In this webinar, Dr. David Scobie discusses his experiences in researching and breeding sheep towards this goal	Sheep	breeding, welfare, disease, health, genetics	<a href="#">website link</a>	1	\$0
Webinar: Humane Handling for Sheep with Jennifer Woods	In this webinar Jennifer reviews the Code requirements in regards to sheep handling and provide you with insight into sheep behaviour and handling techniques to ensure you meeting the Codes.	Sheep	handling, behavior	<a href="#">website link</a>	1	\$0
Webinar: Ideas to Reduce Labour and Improve Ewe Welfare at Lambing Time with Philip Berg	In this webinar, Philip Berg will discuss ways to reduce labor at lambing time so sheep producers can spend more time monitoring newborn lambs.	Sheep	welfare, newborn, lambing	<a href="#">website link</a>	1	\$0
Practical feedlot seminar: Feedlot design and management	Dr Paul Cusack (Australian Livestock Production Services) talks feedlot design and management at a practical feedlot seminar hosted by Riverina Local Land Services on 31 July 2018.	Sheep, Cattle	feedlot, nutrition, welfare, design, management	<a href="#">website link</a>	1	\$0

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Animal Welfare Training for the Broiler Industry-Hatchery	Assist broiler growing companies in complying with AW guidelines. They are designed to include industry approved standards which meet those recommended by the National Chicken Council. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module.	Poultry	Chicken, Poultry, Broiler, operations, hatchery, FACTA, Spanish	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Broiler Industry- Manager	Assist broiler growing companies in complying with AW guidelines. They are designed to include industry approved standards which meet those recommended by the National Chicken Council. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module.	Poultry	Chicken, Poultry, Broiler, operations, manager, management, FACTA, Spanish	<a href="#">website link</a>	2	\$43
Animal Welfare Training for the Broiler Industry- On-Farm	Assist broiler growing companies in complying with AW guidelines. They are designed to include industry approved standards which meet those recommended by the National Chicken Council. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module.	Poultry	Chicken, Poultry, Broiler, operations, farm, on-farm, FACTA, Spanish	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Broiler Industry- Plant Operations	Assist broiler growing companies in complying with AW guidelines. They are designed to include industry approved standards which meet those recommended by the National Chicken Council. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module.	Poultry	Chicken, Poultry, Broiler, operations, plant, in-plant, Spanish	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Layer Industry	Assist layer companies in complying with AW guidelines. They are designed to include industry approved standards which meet those recommended by the United Egg Producers (UEP). The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module. FACTA AW Training for the Layer Industry programs cover the breadth of all egg producing operations (caged and cage free)	Poultry	Chicken, Poultry, Layer, FACTA, operations, egg, cage free, caged	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Pork Industry - Employee	Assist pork farm operations in complying with industry AW guidelines. FACTA AW Training for the Pork Industry programs include training for production staff and management and cover the breadth of all pork operations:	Swine	Pork, Pigs, Swine, FACTA, operations	<a href="#">website link</a>	1	\$28

<b>Training Name</b>	<b>Description</b>	<b>Species/Area</b>	<b>Key Words (Topics)</b>	<b>Website</b>	<b>CE Credit Hours</b>	<b>Price</b>
Animal Welfare Training for the Pork Industry - Manager	Assist pork farm operations in complying with industry AW guidelines. FACTA AW Training for the Pork Industry programs include training for production staff and management and cover the breadth of all pork operations:	Swine	Pork, Pigs, Swine, FACTA, operations, manager, management	<a href="#">website link</a>	2	\$43
Animal Welfare Training for the Turkey Industry - Hatchery	Assist turkey growing companies in complying with AW guidelines. They are designed to include FACTA approved standards which meet those recommended by the National Turkey Federation. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module. FACTA AW Training for the Turkey Industry programs cover the breadth of all Turkey growing operations.	Turkey	Turkey, poultry, FACTA, operations, hatchery	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Turkey Industry - Manager	Assist turkey growing companies in complying with AW guidelines. They are designed to include FACTA approved standards which meet those recommended by the National Turkey Federation. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module. FACTA AW Training for the Turkey Industry programs cover the breadth of all Turkey growing operations.	Turkey	Turkey, poultry, FACTA, operations, manager, management	<a href="#">website link</a>	2	\$43
Animal Welfare Training for the Turkey Industry - On-Farm	Assist turkey growing companies in complying with AW guidelines. They are designed to include FACTA approved standards which meet those recommended by the National Turkey Federation. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module. FACTA AW Training for the Turkey Industry programs cover the breadth of all Turkey growing operations.	Turkey	Turkey, poultry, FACTA, operations, farm, on-farm	<a href="#">website link</a>	1	\$28
Animal Welfare Training for the Turkey Industry - Plant	Assist turkey growing companies in complying with AW guidelines. They are designed to include FACTA approved standards which meet those recommended by the National Turkey Federation. The AW Audit Tool that is used in conjunction with these guidelines is reflected in the learning objectives of each training and certification module. FACTA AW Training for the Turkey Industry programs cover the breadth of all Turkey growing operations.	Turkey	Turkey, poultry, FACTA, operations, plant, in-plant	<a href="#">website link</a>	1	\$28
