education / training / certification **COURSE**

OVERVIEW

The On Farm Swine Welfare Auditor Course conducted by the Professional Animal Auditor Certification Organization (PAACO) is the certification course to train potential swine farm auditors using the National Pork Board (NPB) Common Swine Industry Audit (CISA). PAACO is an organization of eight professional animal organizations with extensive expertise on best management practices and current science in animal agriculture.

EDUCATION & EXPERIENCE

(Note the following are not a requirement to take the course, but are required for certification.)

- Master's, Ph.D., DVM with relevant livestock experience of 2 years within the past 5 years
- Associate or Bachelor's degree with relevant livestock experience of 3 years within the past 7 years
- High school diploma with relevant livestock experience of 5 years within the past 10 years.

AUDITOR CERTIFICATION PROCESS

#1 Participate in Swine 201 online course and a 2-day education and instruction course including production site experience.

#2 Be tested at the end of the 2-day course and pass an examination. Successfully completing the course and test results in moving to a shadow phase of training.

#3 Conduct and complete no less than two swine audits under the supervision of a PAACO swine certified auditor of your choice within 12 months of the course.

#4 Upon the completion of satisfactory ratings by the certified auditors in Step 3, an official endorsement as a PAACO "Certified Swine Welfare Auditor" will be issued and your information included in a public database of certified auditors.

PARTICIPANT & AUDITOR QUALIFICATIONS

PAACO reserves the right to limit class size and registrations to qualified individuals. Therefore, prompt reservations are encouraged and honored on a first come, first served basis. Companies may be limited on number of participant registrations in one training.

Basic individual requirements and qualifications to attend the course and be certified are:

- Read, write and walk unassisted in a pork production environment
- US trainees must not have had contact with swine for 72 hours prior to April 10, 2019.

COURSE MATERIALS

This training is designed to instruct auditors on the use of the Common Swine Industry Audit. Each attendee should familiarize themselves with the audit instrument and guidelines. Copies of both will be provided at training.
